PAGSULAT NG BIONOTE 2. ANO ANG BIONOTE? . Nakasulat gamit ang puntode bistang pangatlong panauhan . Ang bionote ay impormatibong talata na mga mambabasa kung syno ka or ano-ano na ang mga nagawa mo bilang propesyunal. Inilalahad din finger ang ibaInformation on you relating to the topic discussed in the paper, in the work of the entrance or in the content of your blog or website. 3. What is a bonone? Åorth " Bonote is different from biography and autobiography. Bonote is short and dense, while more detailed and long biography and autobiography. Biodati and the curriculum vitae are also different. 4. Why write a bonote? Åorth "We write a bonote to inform others that not only our character, but also our credibility on the field that belongs. This is the way to introduce you to readers. Example: schools will not enjoy a basic accounting book if it is found in the author's profile that the author has no background in this field. 5. IMPORTANT QUESTION: Why are Bonote's writing skills important? 6. Important question: why is Bonote considered a marketing tool? 7. By writing a bonote, it is important to clarify the objectives or goals of writing it. It is also necessary to determine who reads it and what do you want them to think. 8. Characteristics of the great Bonote: 1. Short content -long bonote is usually not read, especially if the additional information is not really impressive. That is, more short is the bonote, more is the reading. Try to shorten your bonote and write important information. Avoid boasting. 9. Features of the great Bonote: 2. Use a third -person perspective - he recalls, he always uses the third -person perspective in Bonote's writing even if it is still herself. Examples: å ¢ â ,¬ å "so Juan Dela Cruz graduated in economics in up-diliman. He currently is teaching macroeconomic theory in the same university. Åvelop 10. Characteristics of the great bonote: 3. Recognition of the reader - must The reader in writing Bonote. If the target reader is the school administrators, the Bonoto must be modeled on the basis of that they are looking for. An example is that it is your classification and credibility in writing the basic book. 11. Characteristics of the great Bonote: 4. Use the reversed triangle - similar to the writing of news and other objective writings, give the priority to the most important information. 12. Features of the great Bonote: inverse triangle most of the information on information important essential information 13. Characteristics of the great Bonote: 5. Focused only on appropriate skills or fantasies -Carattera or characteristics suitable for the purposes of your bonote. Avoid this: å ¢ âvelop "Sa Peter is a teacher/ writer/ business/ environmentalist/ chef. If you want to enter as a literary teacher, for example, it is not necessary to mention in Bonote as a businessman or chef. 14. Features of the great Bonote: 6. The degree is mentioned if necessary - if there is a doctorate in anthropology, for example, and writes an article on the culture of Ibanag in Cagayan, it is important to write these credentials in the Bonote. 15. Characteristics of the great Bonote: 7. Be honest in sharing information - there is no damage if sometimes it takes your bank if it is necessary to accept the person or show others the ability. Just make sure the information is correct or true. Do not invent information just to obtain the name and competition. It is not ethical and the reputation can be stained for this. 16. Real test: I graduated with BS Geodetic Engineering and but but A Current PhD In Filipino: Translating UP â € "Diliman. I just lack dissertation. I teach literature at the University of Santo Tomas Presso Il Compagno resident of the UST Center for Creative Writing and Literary Studies. I always hang out in the garden to write. The NCCA published my first collection of poetry in 2013. Great Crudo, according to critics. My second collection of poetry was published in 2014. I dream of winning the Carlos Palanca Memorial Awards per la letter. Published 17. The bionote is a fierce informative writing (usually just a paragraph) that presents an individual's classifications of his or her credibility as a professional. It presents his acquisitions here saying he is a good authority in the field he belongs to. All in all, the efficiency of the bionote depends on the meeting of what the author wants to convey to what the reader wants to know about him. 18. This is the first time you will apply for a job. You are looking at vacant positions as an IT assistant on an internet job portal. You are glad that many companies need IT assistant. You have noticed that almost everything you are asking for is asking for a bionote except for the curriculum, application form, a scanned copy of the diploma a trascrizione di record. As such, you will write a bionote that will be read by HR representatives of the companies you are applying for. The big score of your application is based, so you need to be able to recover. Your bionote will be evaluated according to the appropriateness of the information in the position, the organization of the paragraph, a grammar. 19. Arnel D.
