Help helpful? 3 Contact with an expert Iniciar una conversaciÄn Hello, I and a buddy want to kid in the TS (teamspeak) ^ ^ and I am looking for a program with which you can announce the Esvection from the microphone (live) Ahead! :). Complete question from the questioner as helpful. This works with the free program Morphvox junior which, however, only contains a few effects. You can download the program for free: There is still a paid version of the program called Morphvox Pro which offers significantly more effects and options to be able to change the voice.
